ABOUT US

Above the Standard. Above Expectations.

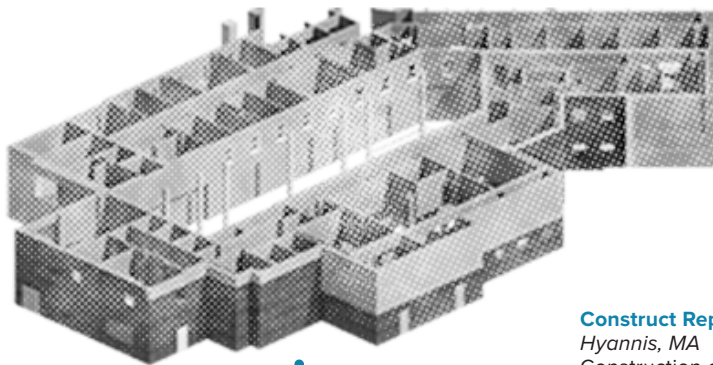

Above Group, Inc. is a dynamic, diverse, and multifaceted team of engineers and scientists. Founded in 2014 as a CVE-verified Service-Disabled Veteran-Owned Small Business (SDVOSB), Above Group provides engineering, design, and consulting services in mechanical, electrical, plumbing, fire protection, structural, process, and energy. We specialize in leveraging technical expertise to provide you with the best solutions for the challenges you face.

DEPARTMENT OF VETERANS AFFAIRS

Above Group has been wonderful to work with. Coordination of site visits and design meetings have all gone well. Great level of professionalism. Final design is scheduled to be delivered on time.

Elizabeth Wytas, NCO 1

DEPARTMENT OF DEFENSE

Above Group's level of service was above expectations! They are not only thorough but also easy to work with and always willing to take the time to discuss my concerns and respond to questions.

Mike Manning, US Navy NOTU

DEPARTMENT OF VETERANS AFFAIRS

Above Group has shown great drive and organization, while aiming to finish the project on time. They were very easy to work with and we have been very pleased with the outcome.

Andre Nobs, NCO 6
