Who We Are

Above Group, Inc. is a dynamic, diverse, and multifaceted team of engineers and scientists specializing in leveraging technical expertise to design highly technical building systems for high performance. Founded in 2014 as a CVE-verified **Service-Disabled Veteran-Owned Small Business (SDVOSB)**, Above Group supports **government, healthcare, industrial manufacturing and warehousing, central plants, life science, and aerospace market sectors.**

Why Above Group

As a trusted partner, Above Group leads projects to timely completion, within budget, and to the highest standards of excellence. Our team of professional engineers and Project Management Institute (PMI) certified project managers have a proven history of streamlining a client-oriented project delivery process. Our innovative, technology-focused approach incorporates the tools needed to ensure a successful project. We proactively plan all phases of the project, including multiple reviews, resulting in significant cost savings to ensure projects stay within budget and are delivered on time.

What Our Clients Say

"Above Group's level of service was above expectations! They are not only thorough but also easy to work with and always willing to take the time to discuss my concerns and respond to questions."

Michael Manning
United States Navy

"Above Group has been very professional and has offered creative and often time-saving responses to any issue. Very responsive and easy to work with, providing an excellent product and far exceeding the expectations of this contract."

Jacalyn Hainey
Department Of Veterans Affairs
